Dear Applicant:

Thank you for your interest in enrolling in the Practical Nursing Program (PNP). This begins your journey to become a Licensed Practical Nurses (LPN)! A career as an LPN is personally rewarding because of a wide variety of workplace opportunities, a livable wage, and the knowing you are making a difference in others lives. The LPN is in high demand due to needs of the aging population and growth in the health care field.

Enclosed is an application and brochure about the program. **Want to know more about the Program?** Program Information seminars are held the second and fourth Monday of each month from 3:30 pm – 4:30 pm. Reserve your seat at least one day in advance. No cost to attend!

Send a complete application with a $75.00 check or money order payable to FCCTC-PNP. The non-refundable fee includes the scheduled admission test session and an Act 34 PA Clearance. A letter will be sent with a testing date and time. **What happens the day of testing?** The PSB aptitude test (computerized, takes about 3 hours), a personal interview, and register for financial aid (if desired).

**Not available on the scheduled day and time?** Call the Program at least 24 hours prior to the testing appointment to reschedule. Canceling less than 24 hours before the test day will require an additional payment of $40, a non-refundable fee, to reschedule a test.

Admission to the PNP is competitive and based on testing scores, a personal interview, high school transcript grades/GED scores, and a PA Act 34 Clearance that meets standards for licensure in Pennsylvania. There may be additional requirements if living outside of Pennsylvania. When the admission process is complete, the qualified applicant will be offered a seat in the first available class. The applicant must complete additional requirements to start the Program, explained at the interview.

Costs to attend the program include tuition and a non-refundable acceptance/supplies/technology fee of $350.00 which covers the cost of name tags, scissors, liability insurance, and other related school items. Additional costs include textbooks (approximately $800.00), uniforms (approximately $150.00), and uniform accessories (approximately $150).

A diploma and school pin are earned at graduation when all graduation requirements are achieved. Graduates may then apply for licensure and take the national licensing examination (NCLEX-PN) for Practical Nursing. Achieving a State License will entitle the graduate to be called a Licensed Practical Nurse, or LPN. A license to practice in other states may be secured by endorsement.

The Practical Nursing Program Office, located on the FCCTC campus, is open Monday through Thursday, from 8:00 a.m. to 3:30 p.m. and Friday until 12 noon.

Sincerely,

Janyce L. Collier, MSN, RN, CNE
